    - i. who has been declared dependent on a juvenile court located in the United States or whom such a court has legally committed to, or placed under the custody of, an agency or department of a State, or an individual or entity appointed by a State or juvenile court located in the United States, and whose reunification with 1 or both of the immigrant's parents is not viable due to abuse, neglect, abandonment, or a similar basis found under State law;
    - ii. for whom it has been determined in administrative or judicial proceedings that it would not be in the alien's best interest to be returned to the alien's or parent's previous country of nationality or country of last habitual residence; and
    - iii. in whose case the Secretary of Homeland Security consents to the grant of special immigrant juvenile status..."
2. The specific findings required under the statutory scheme would be: (1) that petitioner is an immigrant placed under the custody of an individual appointed by a state court (probate guardianship); (2) that petitioner's reunification with one or both parents is

not viable due to abandonment; and (3) it is not in the petitioner's best interest to be returned to his/her home country.

3. Once the above findings are made, petitioner may then begin the process with the Bureau of Citizenship and Immigration Services to obtain legal permanent residence status. In other words, the findings requested are a prerequisite to filing a petition for a "green card."
4. State Superior Courts have jurisdiction to make factual findings of eligibility under SIJS See *N.O. v. Super. Ct. of Calif.*, County of Alameda, No. A122430 at 2-3 (Cal. Ct. App. 9/25/08). Thus, under the federal legislation, any superior court judge would have jurisdiction to hear the SIJS petition
5. Minor, Angelica Mucu Sub, offers a declaration in support of the requested findings stating, inter alia, the following:
  - a. Minor was born on 06/21/01, in Guatemala and lived there with minor's parents until January, 2018.
  - b. Minor does not allege she was abused and neglected by minor's parents; however, indicates they lived in poverty and struggled to provide food.
  - c. Minor was moved to the United States to continue schooling and have a stable life.
  - d. Minor does not want to return to Guatemala because she will not have the same opportunities.
6. Per the statutory scheme, this petition is to proceed only if guardianship of the minor is granted pursuant to the accompanying petition.
7. **Notice waived by father and mother.**
8. ~Proposed Order: 05/16/18

## RECOMMENDATION

Court's discretion re factual findings that would support this petition.
