

Begin Your Divorce From Home

The Resource Center is now offering the **Divorce Starter Kit for San Bernardino County**. With this Starter Kit, your forms are personalized to you, providing you with the opportunity to concentrate on writing the details of your particular case.

How it works: you can click on the link at the bottom of this page which will take you to the Law Help Interactive page for the Starter Kit. (You can create an account if you wish to save your answers or you can proceed as a guest.)

After answering simple questions about yourself and your needs, you will have the opportunity to print out all the forms you need PLUS instructions. After you print, you will need to complete the rest of your forms by hand in black ink.

If you bring your completed forms in to the Resource Center, we can review them with you and

answer your questions. If you don't need that assistance, you can file your papers at the proper courthouse and start the process.
