

QUESTIONS AND ANSWERS

- Q1.** Can you provide drawings/specifications? Are they referring to courtroom drawings or equipment drawing/specifications? This information can be found online through vendor websites.
- Q2.** AV equipment list is old legacy equipment- are you looking for a design? We are not looking for a design. When equipment failure occurs we are replacing it with the latest compatible device.
- Q3.** Our only question is if we can extend the question deadline until 4/30/21. Due to our RFP deadlines we can't allow changes. Thank you for understanding.
